

Premier Series

Elevating Expertise for CTE Teachers

The Premier Series is a set of courses designed to help teachers become successful in CTE.

The Premier Series is proudly funded by the Arizona Department of Education's CTE Statewide Leadership Grant.

What are the benefits of participating?

ACTEAZ supports CTE teachers who want to enhance their instructional skills and CTE programs with relevant courses. In addition, there are courses to help industry professionals who wish to become expert teachers in their field.

Remove deficiencies

Gain strategies to effectively impart your industry expertise

Sharpen your teaching skills

Collaborate with other educators across the state

Fully certified academic teachers gain CTE knowledge and skills

Receive instruction from highly engaging educators who model best practices

“After 10 years in education, this course gave me fresh ideas I could use right away in my classroom. It reminded me why I love teaching and encouraged me to keep growing. The strategies I learned have already made a positive difference for my students.”

- Ansel Traynor, Yuma Union
