

# 2027 midwinter leadership conference

## **Smaller by design. Deeper by purpose.**

As an exhibitor, you won't simply showcase what you do—you'll have the opportunity to sit at the table with Arizona's CTE decision makers, listen to their needs, share your expertise, and explore how you can work together. Our intimate setting creates space for meaningful conversations and genuine relationships.

Join the conversation. Build relationships.  
Be a solution partner for Arizona CTE.
